How to play the Quiz

Put the group into 2 or 3 groups.

Each group to have their own quiz group name

Group leader to ask the whole group a question from the conversation cards.

Groups must confer and the group first to ring the bell answers the question

If answer correct, then the group are award 1 point and then given a piggy token and asked to place the piggy token on the section of the pyramid the strategy relates to. If the strategy relates to the whole pyramid, then the piggy token is placed on the outside of the pyramid. If piggy token placed correctly then another point is awarded to the team.
