

Loneliness

(read from top to bottom)

I am lonely.
I cannot say that
I have always been alone,
although
now I know
fate meant for me to be this way.
I have nobody.
I would be wrong to say
someone would care,
if I tried again to destroy myself.
The effect would be massive
only if I was perfect.
It's untrue that I could have worth,
even if I tried.
I am less than beautiful,
nobody can convince me that
I am right where I'm meant to be.
